REMARKS

In response to the Final Office Action mailed April 27, 1999, the applicant requests reconsideration of the above-identified application in view of the following remarks. Claims 23-31 and 36-44 are pending in the application, and claims 23-31 and 36-44 are rejected.

Telephone interview

The applicant thanks Examiner Nadav for the telephone interview granted on Friday, July 16, 1999 between himself and the applicant's representative Mr. Mates (Reg. No.35,271).

Amendment to the Specification

The applicant has amended the specification on pages 4 and 5 to replace the terms active area 215" with the term --oxide layer 215--. The applicant respectfully submits that there is ample support in the original specification for this amendment, and that the amendment contains no new matter as will be demonstrated with the following remarks.

Original Figures 2A-2D show an electrode 205 over a layer 215 with a selective spa
